

# KEEP IT POSITIVE & KEEP IT FUN

By setting a good example, we'll help build a supportive environment in which everyone can thrive and have fun.

## SPECTATORS, FAMILY & PARENTS CODE OF CONDUCT

### I WILL:

- More than anything, have fun and enjoy watching the game from the designated spectator's sideline.
- Catch them all being good. Promote positive reinforcement and celebrate effort and good play from both sides.
- Always respect the game officials and coaches and encourage players to do the same.
- Recognize that it's ok when players, coaches, and officials make mistakes. They are learning too.
- Never engage in or tolerate offensive, insulting, or abusive language or behavior with anyone.

- Familiarize myself with SafeSport practices and review guidance on abuse and acceptable behaviors. Take the Soccer Parenting "Successful Soccer Parent" course and review the SafeSport Parents Guide.

### I UNDERSTAND THAT IF I DO NOT FOLLOW THE CODE, I MAY BE:

- Issued with a verbal warning by club/league staff, coaches, or game officials or asked to leave.
- Required to take a Parent Education course prior to returning to the sideline.
- Requested not to attend future games or be suspended from club games and activities.
- Required to leave the club.

**POSITIVELY  
SOCCER**
