Pike Soccer Rostering Policy

Pike Soccer is committed to maintaining good standing with Georgia Soccer and following its rules and regulations. As outlined in the Georgia Soccer Youth Rules and Regulations handbook (last updated Jan 28th, 2023, Page 3, Section 100 ADMINISTRATION, Sub Section 120.1), recreational soccer programs must prioritize fair and balanced distribution of playing talent among all teams within the same age group.

Policy:

- To ensure a fair and balanced distribution of players, Pike Soccer will utilize a random team generator built into our registration system.
- A Rostering Committee may be established to address any unforeseen issues.
- Teams will remain intact from Fall to Spring seasons within each "seasonal year." A "seasonal year" is defined as Fall of one year to Spring of the following year.
- **Each Fall, teams will be reset.**
- Players will **not** be moved up in age group until registration closes. This prioritizes placing players in their true age group.
- **Coaches have the choice to pull 4 players from their previous spring season team, including their child(ren).**
